WHY... WHY IS IT URASHIMA TARO AND THE TORTOISE ..?
If it's going to be Urashima Taro, shouldn't he be with Otohime..?
Only a masochist like you would be happy about this.
Greetings from Aquatic Park

T/N: Comes from a Japanese folktale about a fisherman who saves a tortoise and as thanks is taken to the dragon King's palace under the sea to marry the princess, Otohime.

OH,
LOOKS LIKE IT'S ALMOST TIME FOR THE DOLPHIN SHOW!
CONSIDERING OUR HEIGHTS, ASHI... I MEAN HIMARI-SAN WOULD END UP AS THE TORTOISE—
No way.
He doesn't know that she'd likely enjoy it.
Greetings from Aquatic Park
Seems pretty happy
Let's go, let's go!
